Wisetek Providers, Inc. Capability Statement

Company Profile

Wisetek Providers, Inc. is a business and Information Technology (IT) consulting firm, located in Fairfax, Virginia. We specialize in providing innovative business and IT services to our clients by leveraging our diverse expertise in business, technology, finance, and management consulting. From our inception in 1997, we have shown a strong and an annual steady growth of up to 20%. *In today's working environment to remain steady and dependable is a credo we at [Wisetek Providers, Inc.](http://www.wisetekproviders.com) take very seriously.*

We pride ourselves in collaborating with our clients. We identify their needs, explore new growth opportunities, create innovative and integrated solutions to solve their problems, and optimize their overall performance. In addition to providing IT and business consulting services, we also specialize in managing software development projects for our clients.

“We believe comprehensive communications and collaboration are the primary keys to success!”
